The player must ensure that both his mobile phone number and his email address are correctly updated.

The player may at any time request the tournament office to send a new access link or to update his mobile number if necessary.

Players are recommended to enter the results hole by hole and make sure they have their mobile fully charged at the beginning of the day, keep it muted at all times and in airplane mode while no data is entered.

BALEARES CUP 2021

Counting Event - R&A World Amateur Golf Ranking

CONDITIONS

ELIGIBILITY:

Any amateur player, with an exact **handicap of 11.4 or better**, in possession of their National Federation or Union Membership Card is eligible to enter. All entries will be subject to the approval of the Amateur Committee from the Royal Spanish Golf Federation which reserves the right to accept or refuse. There will be no handicap limit for past Champions.

Entries are limited to 85 competitors. If the number of entries exceeds these, the high-handicap players will be eliminated from the championship by draw. In addition, the Balears Golf Federation will have 5 invitations. If these 5 players had an exact handicap higher than the 85 admitted, will increase the total number admitted to not take place any of the other registered.

Within the 85 accepted players, there may be a maximum of 15 players of foreign nationality, not RFEG members, which are among the 1,500 of the WAGR better classified at the date of closing date. (List by position in the WAGR) <https://bit.ly/34wolF8>.

For Spanish Players, the official exact handicap to make the list of accepted players will be listed in the database of the FBG and RFEG at 10:00 am the day after the closing date. For foreign players, the official exact handicap used for all purposes will be the handicap certified at date of entry by their National Golf Federation, Union or Association.

If, for any reason, a competitor is unable to participate, he must communicate this to either the Championship Committee at the Club or to the Amateur Technical Committee before 12:00 am of two days before the starting of the championship. Any player who fails to follow this procedure risks having his entry refused for the following year's edition.

Unsuccessful entrants will be informed immediately after the closing date and will be placed on a reserve list, by exact handicap order, and given the opportunity to compete if there are subsequent withdrawals. The possible absences reported in the specified period will be covered one by one. The criteria used for establishing priorities among players with the same exact handicap on the reserve list will be the earliest date of entering.

The register of players and the pay of the entry fee will be made in the golf club jointly, within the time and place established by the Championship Committee (on the official practice day preferably). Players who cannot go the club on the official practice day and, as such, cannot register by the deadline, should send an email to competicion@fbgolf.com. Failure to do so, the Championship Committee may replace the player for the appropriate waiting list (if any).

FORMAT:

Over four rounds of 18 holes stroke play scratch each day (72 holes from white marks). After the 3rd round, a cut will be established. The first 50 qualified players and ties will qualify for the 4th round.
